

STOCK DIVIDENDS NOT TAXABLE, SAYS SUPREME COURT

Provisions of 1916 In come Law Declared Unconstitutional

JUSTICES VOTE FIVE TO FOUR

(By The Associated Press)

WASHINGTON, March 8. — Corporation dividends distributed in the form of stock do not constitute income and consequently are not subject to federal income taxes, the supreme court decided today in a five to four decision.

Provisions of the 1916 federal income tax law levying taxes on stock dividends were declared unconstitutional. The decision also nullified similar provisions of the present law and will involve great loss in revenues to the government in future collections and thousands of such taxes already collected. Large financial interests likewise will be affected and extensive "melon cutting" is expected.

In the majority decision read by Justice Pitney, Chief Justice White and Justice Kenna, Vandeventer and McReynolds, concurred. Of the four dissenting members of the court, Justice Holmes read a brief opinion in which he was joined by Justice Brandeis. Later, Chief Justice

In holding that stock distributions are not dividends, on account of no separation of corporate assets being involved, Justice Pitney in behalf of the majority declared that stock shares "are nothing except paper certificates" in undistributed assets are not realized profits and therefore are

realized profits and dividends are not taxable. The attempt of congress in the income tax law to tax stock distributions the majority decided to be unconstitutional and not permitted by the sixteenth or income tax amendment to the federal constitution. Stock dividends, the majority held may be taxed only after stockholders realized upon them by sale in which case the government may levy income taxes on such

All four dissenting justices contended that congress had power to tax stock dividends holding that such dividends are income, he same as if in cash. The sixteenth amendment, the minority declared, is broad enough to justify this tax.

Justices Brandeis and Clarke characterized the majority view as "narrow" and "bizarre" and said it would permit many cor-

Declarations of dividends in cash or in some other medium, the two justices added, is wholly a matter of financial management and therefore "if a dividend paid in securities represents a distribution of profits, congress, of course, tax it as income."

The other dissenting opinion expressed the belief that the word "income" in the sixteenth amendment should be read in a sense most obvious to the common understanding at the time of its adoption. Most people other than lawyers, it was added, supposed when they were asked for that they owned the question of direct

**'ARPENTIER MARRIES;
WIFE OPPOSES BOXING**

PARIS, March 8.—Georges Carpentier, heavy-weight boxing champion of Europe, was married today to Mademoiselle Georgette Laurentia elksasse at the city hall today. The religious ceremony will be celebrated at a Paris church tomorrow. The civil marriage occurred some hours before the time originally set, in order to avoid the crowd.

The bride said after the ceremony that she did not like boxing and would not watch her husband fight for the championship. Francois Descamps, Carpentier's manager had previously announced that her opposition would cause the match with Jack Dempsey to be Carpentier's final fight.

The Protestant churches are evidently interested in the inter-church program. Thirty denominations have agreed to raise a fund of something more than \$336,000.00 for the work in the U. S. and abroad. It will mean effort and sacrifice to raise this

huge sum and it will take discretion and devotion to expend it with the best results.

Let us hope that the prophesy of J. Hamilton Lewis is correct and that President Wilson is again the candidate of his party. This would give the country the longest for opportunity to hold up a mirror to this Democratic administration. In November the president would have a very definite idea about public opinion and so be disillusioned.

A BUSINESS MEASURE

It is a sensible measure that the city council has passed in an ordinance providing for "oil inspection." The fees for inspecting oil have been somewhat increased and it is provided that the work shall be done by the police department, and the money for the inspection work will thus be paid into the city treasury. Consumption of oil and gasoline has increased very rapidly in recent years and still further increases are certain. The ordinance there-

fore will provide another source of revenue and the city has good use for all the money it can legitimately collect.

Chairman Hays of the Republican National committee is bent on harmony. He is wisely insisting upon his position that it is the duty of the chairman of the national committee to use his best efforts for the election rather than the selection of a president. Mr. Hays' course thus far has shown him a most forceful and tactful leader and there is constant evidence of the sincerity of his position in desiring to be fair to all candidates and their friends.

In the primary election today the name of only one candidate in each ward will appear on the ballot. However, this does not prevent names from being written in, as the voter has this opportunity. While this is an election presumably without a contest, there should be a good vote at every polling place. Show your interest in the candidates and the present city administration by casting your vote today.

The Germans have a way of meeting conditions—that is when labor or business is concerned. A few months ago there was a complaint because of the shortage of coal. The miners answered the government's appeal with such enthusiasm that now more coal is being produced than the railroads can transport promptly. The piles of coal are getting so huge in the vicinity of the mines that work may be suspended for a time until the railroads "catch up."

WHEN FELLOWSHIP IS GENUINE

The time was when some very good and well intentioned people frowned on lodges and other organizations for the promotion of good fellowship. Today a broader view holds and most people realize that the organization of men and women in a fraternal way brings immense benefits to society. The intimate association of men in some of these organizations gives them a better understanding of each other's purposes and ideals. In the ordinary business transactions people do not really come to know each other and misunderstandings are easy.

A local man in addressing a group of Jacksonville citizens recently, made the statement that there can be no permanent differences between men who understand each other. There may be "flare ups" but when men know each other's ideals and intents, it is the larger things that count with them and the misunderstandings that would otherwise occur disappear into thin air. The organizations that promote fellowship and make men and women better acquainted are very much worth while.

IMPORTANT QUESTIONS THESE

Mrs. Fletcher Dobyns, chairman of the Illinois Republican Women's Executive Committee, makes public the following recommendations of a conference called in Chicago by the National Women's Executive Committee of the Fourteen Mississippi Valley States:

We urge:
The abolition of child labor.
The establishment of an eight-hour day, a forty-four week and weekly day of rest for women in industry.
Direct citizenship for women, not citizenship through marriage, as a qualification for the vote.
Naturalization for married women to be made possible.
The establishment of the Women's Bureau of the United States Department of Labor on a permanent statutory basis.
The establishment of a National Employment Service with adequate provision for departments for women in national offices and in all local offices.
Equal opportunities for women through the Civil Service.
A new policy on the part of the Federal Board of Vocational Education to insure for women equal opportunities with men in trade and technical education.
The appointment of women as mediators in the Conciliation Service of the Department of Labor and as members of any wage adjustment boards or mediation boards appointed in the Federal government to deal with industries employing women.
Compulsory education in every state for all children between six and sixteen years for nine months of each year, and we favor such changes in our educational system.

Rippling Rhymes
By Walt Mason

THE CROOK

In our quiet country village lived the prince of get-rich sharks; and his dreams were all of pillage, and of skinning easy marks. Oh, his front was fine and stately, and he fooled the suckers greatly, with his promised ten per cent. But one morning he was missing, with his winning smiles and glad, and his name's become a hissing in our melancholy grad. Oh, we do not see him tramp, and he took away a bundle that would choke a muley cow. There are threats and there is waiting from the suckers old and young; talk of lynching and of jailing from the come-ons who were stung. Gone the crook who did the dishing and they know not where he went; he is doubtless busy fishing, else-where, with his ten per cent. Oh, I am a doubting Thomas, and I smell the scent of cheese, when the get-rich fakers promise more than safety guarantees. And the wise and cautious banker knows how much is safe and sane, and that's all for which I'll hanker while I have a working brain. Better have an income modest, and be sure it's always there, than to paw the sand and sawdust and to weep and tear my hair.

Funerals

Myers.
The funeral of John Myers, was held Sunday morning at 11:00 o'clock. Harry Willard, of Franklin, conducted the services which were held in the Asbury church. Misses Ruth Jumper and Ruth Stufflefield, cared for the flowers. Interment was in the Asbury cemetery. Samuel Mills, Riley Spahnower, Tom Smith, George Oxley, George Snyder, and Charles Ransdell acted as pall bearers.

Woodward
Funeral services for Fred Woodward were held from Central Christian church at 3:30 o'clock Sunday afternoon in charge of the Rev. Myron L. Pontius.

There was a large gathering of relatives and friends, the members of Urania Lodge No. 243, I. O. O. F. and the Mothers and Friends Association attended the services in a body. The Odd Fellows also carried out the funeral ritual of the order at the grave.

Music was furnished by Mrs. Fern Hough, Mrs. Mac Hitt, G. L. Mathis and W. W. Gilham. The flowers were cared for by Mrs. John Roberts, Mrs. Chas. Patton, Mrs. W. O. Swales, Mrs. Glenn Large.

Burial was in Diamond Grove cemetery, the bearers being, C. S. Young, Charles Balsley, Charles Roberts, Maurice Peckham, James E. Johnson and George L. Riggs.

Sooy

Funeral services in memory of Mrs. S. A. Sooy were held Monday afternoon at her home, 1659 South Main street. The impressive services were in charge of Dr. E. B. Landis of Westminster church. Mrs. H. C. Woltman sang two solos with Miss Ainslie Moore as accompanist.

Many flowers had been sent by sympathizing friends and these were cared for by Mrs. J. R. Baxter, Mrs. Roy Covington and Miss Helen Deaton. Interment was in Diamond Grove cemetery and the bearers were James Wright, James Baxter, Leonard Wright, William Smith, Edward Deaton and Dr. George E. Baxter.

Mrs. Sooy's name before her marriage was Elizabeth Joyce Baxter and she was the daughter of James and Margaret Baxter. She was born March 29, 1871, at the home southeast of Jacksonville and passed away March 8. She received her early education in the schools of this county and later at the Illinois Woman's College, of this city.

For the past 8 years she has been a resident of Jacksonville, a member of Westminster Presbyterian church, and a member of the Housekeepers' Class of that S. S.

Much of her life has been spent in service for others and she has endeared herself to many who, in her passing, feel the loss of a personal friend.

On December 20, 1888, she was united in marriage to S. A. Sooy, who preceded her in death 23 years ago. To this union were born four children: Mrs. N. J. Carpenter and Albert Green of this city, Floyd of Kansas City, Mo., and Wallace, who died in 1906. The mother, Mrs. James Baxter, of this city, survives her, also one brother, S. J. Baxter, of Woodson, and four sisters: Mrs. I. P. Cowden, Mrs. E. A. Deaton, Mrs. O. F. Coultas of Jacksonville and vicinity and Mrs. J. L. Williamson, of Kansas City.

Millions of Tiny Germs

Cause Your Catarrh

Real Relief Comes Only by Cleansing Blood of These Germs.

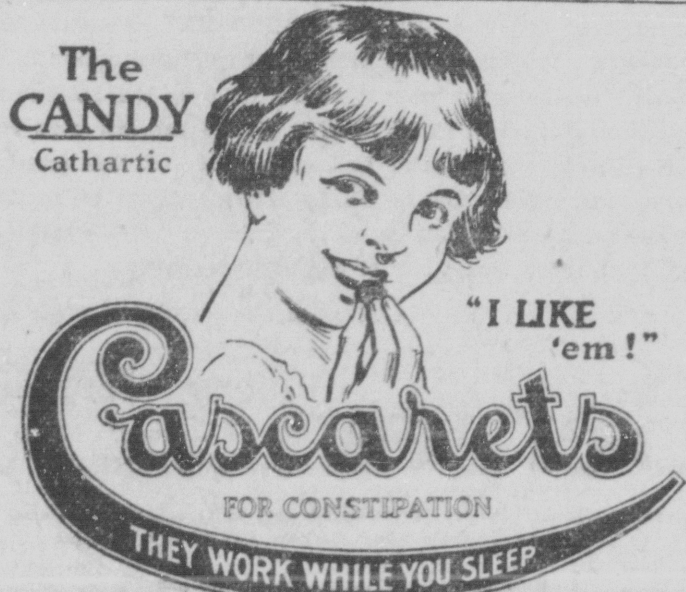

Catarrh comes from a disease germ that finds lodgment in the blood, and makes itself manifest by spreading its attack of poisonous irritation to the delicate linings of the nose, throat and the air passages. These become stopped up by the inflammation of the mucous membranes, making it difficult for you to breathe, and you are constantly hawking and spitting in an effort to clear the clogged-up nostrils and get relief.

You must realize that your blood is loaded down with catarrh germs, and these germs must be removed from your blood before you can expect real, rational relief from the disease. And of

course, you know that you cannot reach these germs in your blood with sprays and douches. Experience has proven that S. S. is the best remedy for Catarrh, because it is a fine old blood remedy that tends to free the blood of all disease germs. S. S. will cleanse your blood of catarrh and give real relief. It has been in constant use for more than fifty years, and is sold by all druggists. Buy a bottle today and lose no further time in getting on the right treatment.

Valuable literature or special advice regarding your own case will be furnished free of charge. Address Chief Medical Adviser, 161 Swift Laboratory, Atlanta, Ga.—Adv.

PROMINENT WHITE HALL CITIZEN PASSES AWAY

George E. McClay Died Monday Morning after Long Illness—Was Pioneer in Apple Industry of Western Illinois—Funeral Services Thursday Afternoon

White Hall, March 8.—The death of George E. McClay occurred at 5 o'clock this morning at his residence on North Main street, following an illness of about a year, growing out of light stroke of apoplexy. He spent some time in the sanitarium at Battle Creek, Mich., and until about a month ago was under the care of a private physician since his return from that institution. For the past two weeks his condition had been critical. His sister, Mrs. Mary Connor, arrived from Chicago at noon Sunday in response to advice of his dangerous condition.

Mr. McClay was a native of Woodstock, Vermont, and was one of the founders of the McClay orchards, northwest of White Hall. He was born April 10, 1866, and when he was twenty years of age went to Chicago and engaged in the fruit commission business. In the year 1890 he and his brother, A. L. McClay, decided to engage in the apple growing business in the northwestern section of Greene county, and for a few years they conducted the business on a partnership basis. Upon the dissolution of this partnership, A. L. McClay enlarged his orchard area, and when he died ten years ago he had 1,000 acres of apples that were just beginning to bear. For a year or so following his death the business was managed by the widow, when it was leased to the elder son, A. L. McClay, Jr., who has conducted the business with such signal ability that he began to extend his holdings. He purchased the 265 acres of his uncle, George E. McClay, the subject of this article, and has otherwise increased his apple growing business until today he has 1400 acres, constituting the largest individual apple orchard in the world. He also has extensive general farming interests in the Hillview Drainage and Levee District.

Three years ago George E. McClay retired from business, and erected a residence on North Main street that is one of the finest residences in Greene county. At the time he emphasized to the writer that he had no desire to outstrip any one in the building of a residence, but that he felt a great desire for a home of his own, and that he was building in accordance with a circumstance. Nearly two years ago he and Miss Lillian Boehm, daughter of Mr. and Mrs. Robert C. Boehm of White Hall, were married, and she survives, together with three sisters, Mrs. Connor and Mrs. Salliday, of Chicago, and Miss Augusta McClay, of White Hall. One brother, Ernest, residing at Woodstock, Vermont, is the only survivor in the family of six boys.

Henry died at White Hall on November 2, 1919, and is buried here. He was a leading horticulturalist of Missouri. Funeral services will be held at the home Thursday afternoon at 2 o'clock, conducted by Rev. A. F. Ewert, and the burial will be in the White Hall cemetery.

To A. L. and George E. McClay should be ascribed the honor of being the pioneers in the development of the apple industry of western Illinois. They were first to engage in the business on a commercial basis, demonstrating the apple to be a paying crop, and the lessons learned from the McClays has resulted in the tremendous enlargement of the apple-growing business in Greene and Calhoun counties. The good works of such men will be held in everlasting memory and gratitude by the horticultural interests of the country, for their contributions mark one of the greatest epochs in horticultural history and development.

DR. E. B. LANDIS WILL CENTER LARGER WORK

Resigns Pastorate of Westminster to Become Associated With Inter-Church Movement in Illinois

Dr. Edward B. Landis, who has been pastor of Westminster Presbyterian church for the past four years, has resigned in order to become associated with the Inter-Church World movement. The pastor's resignation was read to the congregation at the morning service Sunday and it is expected that the pastoral relationship will be dissolved after Easter Sunday, April 4.

Dr. Landis will be associate pastor of the Inter-Church World movement with office in Peoria. His work will be in connection with the surveys to be made in the cities of Illinois. His experience and training especially qualify him for the responsibilities of the important work into which he is now entering.

Dr. Landis came to the Springfield presbytery and to Jacksonville from the Bloomington Presbytery. He will leave behind him Westminster an excellent record as the church has developed under his leadership. During his pastorate there has been an increasing membership and interest and the church has gone forward also in a financial way.

Presbyterial Work
In addition to caring for the work of his own church, many presbyterial duties have devolved upon Dr. Landis and he has visited a number of churches in the presbytery in carrying out these

missions. He was especially interested in the New Era movement of the Presbyterian church and largely because of his enthusiasm Westminster made an exceptional record in this work. The retiring pastor is now the president of the Ministerial union and during practically all of his residence in Jacksonville he has been a member of the kindergarten board. He has also been a member of the Club and has been in other ways identified with the religious and civic life of Jacksonville. Mrs. Landis has been actively associated with departments of the church work and has also been identified with the literary club life of the city.

It is probable that the family will remain in the city until the close of the school year. Dr. and Mrs. Landis will go to their new field of work taking with them the most sincere good wishes of their parishioners and of the letter of resignation was as follows outside their church. The Iowa:

To The Session and Members, Westminster Presbyterian Church, Jacksonville, Illinois.
Dear Friends:—

One of the most difficult situations ever arising in a man's life is to decide upon a course of action amid conflicting duties.

Coincident with the ending of hostilities in the World War, and just as many people were asking what the future policy of the church would be, the Foreign Mission Board of the Southern Presbyterian Church issued the challenge to other like Boards.

It was soon recognized that the Home Mission interests should be included, so that through the efforts of our Missionary Leaders a forward step was taken in the church and there was organized the Inter-Church World Movement. The purpose of this movement is to present a unified program of Christian service, and to unite the Protestant churches of North America in the performance of their common task.

A thorough united survey of the fields of the world will be made for the purpose of securing accurate and complete data as to what the task is and what the opportunities are for the combined churches to meet for the period of at least five years. In the development of this great work, I have been asked to have a part. It is my desire, therefore, that you join with me in requesting the Presbytery of Springfield to dissolve the pastoral relationship between me and the Westminster church, the same to take effect with Easter, or the meeting of Presbytery.

Let us at the same time keep in mind our Pre-Easter Evangelistic program and work diligently to make our church year with every indication of life and progress.

It is with sincere regret that I feel compelled by a profound sense of duty to sever my connection, as minister and pastor, from a church and congregation where the relationships have been so happy, sympathetic and beautiful. But the Call of the State of Illinois, and through it, that of the Great Church Universal is heard. To have a small part in such a noble enterprise seems to me to justify the decision which I hereby announced.

In taking a step so important I ask for your blessing and benediction. In entering a field where here are great and unfamiliar

REV. E. B. LANDIS.

problems to be solved, I ask for your prayers and best wishes. If I had my heart fixed on a pathway made beautiful by rare friendships, and where many responsibilities were lightened, I would remain in Westminster and seek your indulgence. I have decided, however, to enter a field where the problems are sufficient to test the character and ability of any man called into these responsibilities. I ask, therefore, when the time of departure draws near, you will send me away with your love and approval.

PASTOR SUES FOR \$100,000 DAMAGES

Chicago, March 8.—Rev. Charles S. Marsoff, pastor of the North Chicago Presbyterian church who was arrested when he tried to enter the church after the board of trustees had dismissed him and after he had been upheld by the district presbytery, today filed suit for \$100,000 damages against five church officers. He charged slander, libel, false imprisonment and conspiracy.

The Chicago Presbytery today declared him still pastor of the church with right to hold services. The Presbytery previously had announced that the board of trustees had no authority to dismiss Rev. Marsoff.

AUTOMOTIVE DEALERS IN REGULAR SESSION

The regular monthly meeting of the Jacksonville Automotive Dealers' Association was held Monday night at the Douglas Hotel. The business session was preceded by a banquet in the private dining room of the hotel perfectly served under the personal direction of Manager Bentley.

Owing to the absence of a number of the regular members from the city only matters of a routine nature were taken up.

It was decided that the next meeting, Monday, March 22, would be held at the Colonial Inn, to which an invitation would be extended to out-of-town Morgan and Scott County regular dealers.

RECEIPTS OF BASKETBALL TOURNAMENT ANNOUNCED

While the detailed report has not yet been made, Principal H. C. Hopkins of the high school stated Monday that the receipts of the basketball tourney amounted to \$1,679.15. This is considerably in excess of the receipts of a year ago. The amount to be apportioned for each team has not yet been figured.

K. C. WILL PLAY SPRINGFIELD TEAM

The K. C. basketball team will meet the Springfield team of the Weaver Manufacturing Company of Springfield in Liberty Hall Wednesday evening at 8:30 p. m. The visitors are members of the city league in Springfield and the K. C.'s are looking for one of the hardest games of the season. However if the K. C. team plays the sort of a game which they showed themselves capable of in the Chandlerville game they should win.

The K. C. team which will start the game is Rook and Frolich, forwards; Rexroat, center; and Clancy and Cain, guards.

WRECK RESULTS IN FREIGHT TIE-UP

There was a tie-up of freight on the Burlington for a few hours Monday as the result of an accident near the C. B. & Q. freight house. An engine and three cars ran into a derail and it was necessary to get the wrecker from Beardstown to put the equipment back on the rails.

C. B. GRAFF'S CONDITION SHOWS IMPROVEMENT

Self Inflicted Gunshot Wound is Not Serious—Needs Long Period of Rest.

Charles B. Graff is a patient at Our Savior's hospital suffering from a self-inflicted gunshot wound. For six weeks Mr. Graff has been confined to his home because of a severe nervous breakdown and his action was the direct result of the nervous condition.

It was while in the attic of his home on Sandusky street Sunday, where he had gone to change a valve attached to a water tank, that Mr. Graff seized a shot gun hanging from the wall and fired. A member of his family was near him at the time but not quick enough to avoid the unfortunate happening. The resulting wound was not of a serious nature, although a part of the charge entered the flesh of his left shoulder.

Mr. Graff was taken shortly afterward to Our Savior's hospital. Reports from him last night indicated that while the wound is not severe, that his extremely nervous mental and physical condition will make a long period of rest necessary.

The numerous friends of Mr. Graff and of his family join in hoping for his complete restoration to health.

HEADACHE Caused by Acid-Stomach

Yes, indeed, more often than you think, because ACID-STOMACH, starting with indigestion, heartburn, belching, food-repelling, bloating and gas, if not checked, will eventually affect every vital organ of the body. Severe, blinding, splitting headaches are, therefore, of frequent occurrence as a result of an upset stomach.

Take EATONIC. It quickly banishes acid-stomach with its sour bloating, pain and gas. It aids digestion—helps the stomach get full strength from every mouthful of food you eat. Millions of people are miserable, weak, sick and ailing because of ACID-STOMACH. Poisons, created by partly digested food charged with acid, are absorbed into the blood stream and circulate throughout the entire system. This often causes rheumatism, biliousness, cirrhosis of the liver, heart trouble, ulcers and even cancer of the stomach. It robs its victims of their health, undermines the strength of the most vigorous.

If you want to get back your physical and mental strength—be full of vim and vigor—enjoy life and be happy, you must rid rid of your acid-stomach.

In EATONIC you will find the very help you need and it's guaranteed. So get a big box from your druggist today. If it fails to please you, return it and he will refund your money.

Ends Stubborn Coughs in a Hurry
For real effectiveness, this old home-made remedy has no equal. Easily and cheaply prepared.

You'll never know how quickly a bad cough can be conquered, until you try this famous old home-made remedy. Anyone who has coughed all day and all night, will say that the immediate relief given is almost like magic. It is very easily prepared, and there is nothing better for coughs.

Into a pint bottle, put 2½ ounces of Pinex; then add plain granulated sugar syrup to make a full pint. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, the full pint saves about two-thirds of the money usually spent for cough preparations, and gives you a more positive, effective remedy. It keeps perfectly, and tastes pleasant—children like it.

You can feel this take hold instantly, soothing and healing the membranes in all the air passages. It promptly cures a dry, tight cough, and soon you will notice the phlegm thin out and disappear. A day's use will usually break up an ordinary throat or chest cold, and it is also splendid for bronchitis, croup, hoarseness, and bronchial asthma.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, the most reliable remedy for throat and chest ailments. To avoid disappointment, ask your druggist for "2½ ounces of Pinex" with directions and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Dean of Theological Seminary Talks About Responsibility of Mississippi Valley States.

Rev. Frank G. Ward, dean of Chicago Theological Seminary, was the speaker at the Congregational church forum Sunday night. Dr. Ward talked of "The Challenge of the Mississippi Valley." In the view of the speaker the opportunities for the church today are greater than ever before and so the responsibilities are greater.

Dr. Ward said that those who live in the great Mississippi valley can indeed count themselves fortunate because of the vast resources here. Many of the most important world movements have been inaugurated in this valley and the strength of the nation may be said to have its foundation in these very states.

Dr. Ward made mention of some of the pioneers in Christian work. Stephen Paxton was referred to as one of the "most important" in this group. He it was who grew to manhood practically without education and induced by his little daughter to attend a Sunday school service in a southern Illinois town, heard the call to enter that work. He afterward traveled thousands upon thousands of miles upon horse back and founded hundreds of Sunday schools. A number of men of his stamp have been developed here in the Mississippi valley and have left their mark upon the religious life of the whole country.

There is a great opportunity today thru the medium of the church not only in this country but in those across the sea and supported by the people of those Mississippi valley states the various church movements will gain strength as the days go by.

Looking Beyond Your Fences

The National Federation of Farm Bureaus is a fact. For the first time, honest to goodness farmers have an organization that will have a national voice. Both labor and capital have held conference in open disregard of the rights of the rest of the people. Both have thrown down the gauntlet in the arena, and the farmers of the United States have organized and picked up that gauntlet. Agriculture does not thrive on strikes, board of trade manipulations or underhanded skullduggery of the manipulators of some of our great corporations. Our organization is sane, proposes to be fair, but does intend to make its national voice heard and its influence felt.

Our state organization has already made its force felt. The farmer who has looked beyond the fences of his own farm has seen this effect and will see more of it in a general way. Of course in an individual way a farmer may not realize personal service from either of the State or National organizations like he may from his church, school, bank, newspaper or public officials, but must see its benefits in many cases beyond his fences.

Finally we come to the county farm bureau. After a strenuous campaign with its publicity of the noisy sort has ended the executive committee and the county agent are left with a job of handling the crowd. While we do not care to carry the comparison too far, the executive committee and county agent propose to make this farm bureau come up to the expectations of the men who have joined, if those men will tell us what those expectations are. We don't want a membership sprinkled with croakers, and knockers, but composed of live boosters who can see a little beyond the fences of their own farms. Watch your executive committee and county agent, boost with them on every big project and see if it is not finally carried out in Morgan county as well as any other county. We propose to make good.

The tax books are now in the collector's office and is a judgment against all parties mentioned therein.

Parties paying on personal tax only, should pay the same promptly and avoid trouble and expense in collecting same. The judgment reads as follows: In case any person named in said books shall neglect or refuse to pay their personal tax, you shall levy the same by distress and sale of goods and chattels of such person. Parties paying on real estate should bring their old tax receipts to save time and avoid mistakes. If paying thru the banks, leave your old receipts with your bank as soon as possible.

W. H. WEATHERFORD,
Sheriff and Ex-Officio
Collector

LANDLORD'S INCOME TAX

The high rentals of 1919 will place many thousands of property owners in the taxpayer's class this year. For all rents are subject to income tax, and must be considered in connection with other income in figuring the taxable income.

The personal income tax forms, 1040 and 1040-A, have a special section wherein rentals must be reported. The allowable deductions from rent for taxes, repairs, wear and tear, and other costs are defined on the return form.

Those who rented rooms or suites in their own homes must consider the rents received as part of their income.

If the rents, plus other income received by an unmarried person was \$1,000 or more, a return must be filed; similarly, rents plus other income received by a married couple in an amount of \$2,000 or more must be reported on an income tax return.

Returns and payments must reach the collector of internal revenue by March 15, 1920.

**ATTENDED FUNERAL OF
RELATIVE IN WHITE HALL**

Mrs. Ellen Fisher, Mr. and Mrs. Charles Fisher of Barry, Ill., and Mrs. Clara F. Ordwell of St. Louis were in the city a short while Monday on their way home from White Hall where they had been to attend the funeral of their cousin, Mrs. Celia Wadsworth.

James Bowen, of Buckhorn, was in Jacksonville on business yesterday.

**FORUM SPEAKER REFERS
TO EARLY RESIDENT**

Dean Ward Talks of Stephen Paxson—Formerly Resided in Winchester—Son Graduated from Illinois College.

Many people were interested Sunday evening in the mention made by the forum speaker, Dean Ward, to Stephen Paxson.

Mr. Paxson was a man of very little education who lived in Winchester. His little daughter, Mary, begged and urged him to go to Sunday school until he went to please her.

He was much out of place as can well be imagined but he kept on going and was converted and started out to found Sunday schools after giving up his old occupation of dancing master.

He procured a horse and named it Robert Riggs after the great English pioneer Sunday school man. He traveled all over the western states and Texas establishing Sunday schools and by actual record he gathered into the Sunday schools 150,000 children. In one neighborhood he sat on a log and organized a Sunday school with a man and two boys. In later years a young man spoke to Mr. Paxson at a convention and told him that he came as a delegate from that community.

When his work was done he moved to St. Louis and opened a Sunday school supply store but he had traveled so long that sedentary life did not agree with him and he died at the age of 73.

One son, A. A. Paxson, was valedictorian of the class of '68 of Illinois College and afterward a prominent lawyer in St. Louis;

another son, William Paxson, was a successful minister. His only daughter, Belle, married Charles E. Drury of the Orleans neighborhood. She was the mother of Frank E. Drury of Pisgah and Mrs. George C. Lenington.

—Chesterfield

NO "sharps", no "flats", but my! how Chesterfields "Satisfy!"

A delightful selection of fine Turkish and Domestic tobaccos, harmoniously blended in an entirely new and exclusive way.

The blend is based on our private formula—the outcome of many years of experiment. And the final result has justified the time and money spent. For certainly, Chesterfields do "satisfy."

But don't take our word for it. Smoke Chesterfields today and find out for yourself.

The special moisture-proof package keeps Chesterfields firm and fresh, whatever the weather.

ELKS HAVE OPTION ON PROPERTY

May Buy House on State Street From Drs. Hardesty and Griswold.

It was reported Monday that the Elks lodge thru its representative, E. B. Wiswell, has secured an option on the West State street property now owned and occupied by Drs. T. O. Hardesty and Dr. H. L. Griswold. If the deal is later consummated the property will be used as a site for a new Elks home.

For a number of months past it has been common knowledge that a committee representing the Elks has been seeking a property site suitable for a home. For a time negotiations were in progress between the lodge and the Y. M. C. A. but no common ground of valuation was reached. Some other properties were also talked of but so far as known no definite option other than that mentioned above has been secured.

I have twenty one high grade horses and mares averaging from 1200 to 1600 pounds, most of mares in foal to good Jacks, for private sale at Murrayville. Alex Story.

AMENDED PARK BOARD ORDINANCE ADOPTED

City Council Passes Measure Changing Manner of Naming Men's—Will Talk about Boulevard Lights

At the regular meeting Monday night the city council passed the amended park board ordinance. Under the former ordinance the terms of the entire board expired at the same time. Under the new ordinance the term of one member will expire each year so that there will always be a majority of the board familiar with the work.

A number of other matters were discussed among them the matter of boulevard lights. G. A. Sieber was present and reported that a representative of the King Foundry company of Chicago would be here Wednesday. He will give an illustrated lecture in the circuit court room showing a number of cities before boulevard lights were installed and after installation.

Alderman Cain also told the council something about the trip he and Chief of Police Kilgus took to Rockford. Mr. Cain was much impressed with the size and system of the police department of the northern city.

The proceedings Roll call showed all members present except Alderman Elmer and Graff. Mayor Crabtree presiding.

The minutes of the last regular and adjourned sessions were read and approved.

English Brothers presented a petition asking for permission to use certain portions of West State and N. Fayette streets for the placing of material in the building of the new high school.

The petitioners stated that the reason for asking the permission was to avoid accidents that might happen to pedestrians if the sidewalks were used while building was in progress. The petition was granted, the use of the streets to be under the supervision of the highway committee.

A petition of German Brothers for permission to connect a gas line tank with a filling station at their garage on East State street was referred to the superintendent of streets with power to act.

A resolution instructing the issuance of a warrant to J. W. Walton trustee in the sum of \$5868.75 to pay the interest due to subscribers for the money with which the ground for the new reservoir was purchased was read and adopted.

A communication from Frank M. Jones, who recently talked before the fire underwriters association. Mr. Jones at that time suggested that there should be a by-pass from the reservoir direct to the pumps to be used in case of fire.

The state board of health favored this proposition, holding that the health of the community was of more importance and value than buildings. To remedy this Mr. Jones suggested a six-inch main from the impounding reservoir to the public square. No action was taken in the matter.

Claims against the city were presented and ordered paid when funds are available.

Will Talk Boulevard Lights G. A. Sieber was presented and told the council that Mr. Callahan of the King Foundry company would be here Wednesday and would talk about boulevard lights.

Mr. Sieber said that Mr. Callahan would give an illustrated lecture and would present scenes from a number of cities showing streets before and after installation of boulevard lights. He announced the lecture would be given in the circuit court room beginning at 8 o'clock.

Mayor Crabtree said he was especially desirous of having the property owners of East and West State streets, North Church street and North and South Main streets present, the every property owner in the city is asked to be present.

Citizens Favor Paving. Mayor Crabtree spoke of holding a conference with property owners on East State street east of the railroad and on Jordan street relative to paving. He said the ones who attended the conference were very favorable to the proposition. However, the residents of West Main street were decidedly opposed to paving.

He also called attention to a proposition of the Barber Asphalt company to circulate petitions and ask to citizens explaining the advantages of good paving and especially of asphalt paving. It was the sense of the council that the company be allowed to circulate petitions.

Alf Can E-B of Rockford Alderman Cain then told the council of the trip he and Chief of Police Kilgus made to Rockford. Mr. Cain explained in detail the manner in which the Rockford police department collects the parking license.

The afternoon also told some of the details of the police department and the manner in which the police department handles the parking license.

WINCHESTER MAN IN RUNAWAY ACCIDENT

Milton Hazelrigg Suffers Minor Injuries When Team Runs Away—Mrs. Jackson Johnson Dies Suddenly—Other News From Winchester and Vicinity

Winchester, March 8.—Milton Hazelrigg met with an unfortunate accident Monday afternoon. He was at the Burlington station to get coal when train No. 48 came in. His team became frightened and ran away when one of the reins broke. The horses collided with a telegraph pole and Mr. Hazelrigg was then able to catch one of them. The other animal ran to the Hazelrigg home in the south part of town. Mr. Hazelrigg sustained an injured thumb and considerable damage was done to the wagon.

Many in this community were grieved to learn of the death of Mrs. Jackson Johnson, who passed away Sunday night at 11 o'clock at her late home after one day's illness. The deceased was a woman of retiring disposition, devoted to her home and family. She had always resided in Scott county and was sixty-nine years of age at the time of her death.

Mrs. Johnson is survived by her husband, two sons, Roy and Lynn living at home; one daughter, Mrs. H. D. Trickey of Argenta. No arrangements have yet been announced for the funeral.

Mrs. David Hainsfurther left Friday for Chicago to visit her daughter, Miss Madeline. Mrs. Hainsfurther left Sunday night for the big city to buy goods for the dry goods department of his store.

Mrs. James Grant left Sunday for her home in Grand Forks, North Dakota, after a visit at the home of Mrs. J. C. Stout.

Mrs. Harry Stewart and baby daughter returned Sunday from a visit with relatives in Beards-town.

Mrs. David Gibbs returned Sunday from a short visit in Jacksonville.

Mrs. Bert Carey visited Saturday and Sunday with her parents in Chapin.

Mrs. Elmer Hill and children are confined to their home by illness but are now somewhat improved.
